

# BARNEL® USA

## Spring Buckets, Tree Carriers & Landscape Tools

### Collapsible Spring Buckets

- Compresses to just 75mm for easy transportation and storage
- Quick connector clips assure easy collapsing action
- Mesh supported tear resistant PVC
- Extra strong spring, anti-corrosion plated
- Extra thick perforated bottom panel
- Padded adjustable shoulder strap included

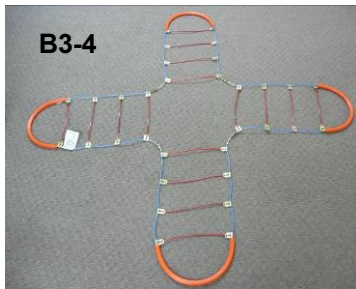

### Tree Carriers

- Heavy duty galvanized aircraft cable construction
- Padded reinforced handle grips
- High load capacities

### Telescopic Rake

- Spring steel tines with 19-56cm adjustable spread
- Super strong CAM-lock design allows for angling of tine
- Light weight aluminum adjustable 90-180cm telescoping handle
